To induce the Virginia Small Business Financing Authority to consider this Application and to assist Applicant in the financing of the project, Applicant, by submitting this Application to the Virginia Small Business Financing Authority, agrees:

- 1. To pay all costs and expenses of the Virginia Small Business Financing Authority and its counsel, financial advisors and program managers in connection with the processing, authorization, issuance and sale of the bonds contemplated by this Application; either from the proceeds of the bonds which may be approved for the project by the Virginia Small Business Financing Authority, or in the event such financing is not approved or forthcoming, or if such costs are unable to be financed in the bond issue for legal or other reasons, the Applicant agrees to pay all costs from its own resources.
- 2. To advise the Virginia Small Business Financing Authority in writing of any material change to the information contained in this Application.
- To provide, after successfully closing on the bond issue, one bound or electronic copy of the complete bond issue transcript to include all

On each anniversary date of the closing of the bond issue, the Applicant agrees to pay to the Virginia Small Business Financing Authority an Annual Bond Fee, as specified below:

- <u>For 501(c)(3) financing</u>, the Annual Bond Fee shall be equal to one-tenth of one percent (1/10 of 1%) of the then outstanding principal amount of bonds as of the anniversary date, <u>with the annual fee paid in any given year not to exceed \$250,000.</u>

In the event the outstanding principal under the bond is repaid in full prior to the anniversary date of the closing of the bond issue, the Applicant agrees the Annual Bond Fee shall be based upon the principal outstanding under the bond immediately prior to the full repayment of the bond and the Annual Bond fee shall be pro-rated based upon that period of time during which the principal was outstanding.

The Applicant agrees to submit a statement evidencing the principal balance due under the bond with a payment for the fees on the anniversary date of the bond issue.
